Dear families,

A permission slip and letter recently went home from your student's classroom teacher about an upcoming field trip for our grades 4-8 students. The trip is fully supported by a grant, and is in collaboration with South Kortright and Stamford School Districts. Our students will be traveling to Thacher Park to experience team-building adventure activities. The permission slip highlighted bagged lunch, so let us know if you would like the school to pack a lunch for that day. Ideally, we'd like to know this information by Friday, May 3rd so we have time to plan.

You can learn more about the location at: <https://www.wildplay.com/thacher>.

**If for any reason you do not have a computer at home or are having any difficulty signing the online waiver, ( [wplay.info/49vPmbF](http://wplay.info/49vPmbF) ), your child's teacher or our school secretary Heather Evangelista will gladly help with this. We are always happy to help at ACS!**

Our students are really looking forward to this fun-filled and educational time.

Please contact the school should you have any questions or concerns.

Thank you for your continued support of our Andes Central School students.

A handwritten signature in blue ink that reads "Brigid Collins".
