Dear Members of the ACS Board of Education,

Please accept my letter of resignation effective March 17th, 2023. This was an extremely difficult decision to make after teaching at Andes for 20 years. However, my priorities at this time need to be my health and my family. Andes will always hold a special place in my heart.

Respectfully,

A handwritten signature in black ink, appearing to read "Jennifer Ennist". The signature is fluid and cursive, with the first name "Jennifer" written in a larger, more prominent script than the last name "Ennist".
