Dear Board of Education and Mrs. Graves:

Please accept this as my resignation as School District Treasurer from Andes Central School. My last date of employment as Treasurer will be March 31, 2023. After spending a lifetime at Andes Central School, I am excited to begin the next chapter.

I did submit my resignation in January, but with the plan to hire a replacement, I was asked, and agreed, to stay on a bit longer to assist the district and the new hire. However, since no action has been taken to hire a replacement, I am now submitting this new resignation.

Please know that I am more than willing to be available to help Heather, or a new replacement, if there is a need. I have always given my best to Andes Central School and want to continue to be there to help out if needed. Things may come up that Heather is unfamiliar with and I have told her that I am only a phone call away if she has questions. She is very capable and has picked things up very quickly and I know she will continue to do a wonderful job for you.

The title of Treasurer keeps me tied to my email even on days when I am not at school. The business office may need my permission to use my signature for a check, payrolls need to be approved by the Treasurer, financial advisors need answers from the Treasurer, etc. By resigning the title, that will help free up my time to start to enjoy my retirement. Life is short and I want to be able to enjoy this time while I can.

I want you all to know that I have enjoyed my years at ACS and I thank you all for all you have done for ACS and the students. The past year has been a difficult one for all of us, and I hope that through it all, you know that I have given my best to ACS and done what I could, as far as the business end of things, to keep things running smoothly.

Sincerely,

Janice Stevens
