Dear Board of Education,

I have been employed here at Andes Central School for the last 5 years. I have had so many great memories of this place. I watched my daughter graduate from this school and she has moved on to college and is doing so great because of her education she received from this school.

However, I regrettably need to inform you that I will be moving on from my position as Food Service Worker here at Andes. It is very important to me to be closer to home and my family. I am very grateful for everyone who I have met along the way and you will always be in my heart. I was a part of this family and this community and I will remember you all always.

Sincerely,
